

GATHER

Generate and Teach Health Equity Routinely MOC Project

The Washington Chapter of the American Academy of Pediatrics is excited to present GATHER – Generate and Teach Health Equity Routinely, a quarterly learning collaborative for pediatric providers focused on improving health equity through peer conversation.

Participants will:

- Attend three 1.5-hour sessions over 3 months with peers.
- Learn to improve their practice of EDI using quality improvement framework, self-assessment, and peer discussion.
- Physicians and Physician Assistants are eligible to receive 25 MOC Part 4 credits towards board certification.

To learn more visit:
<https://wcaap.org/resources/gather/>

SESSION INFORMATION:

Two cohorts April 2023 – June 2023

- Sessions will be available before or after clinic.
- All sessions are via Zoom.

WHO IS ELIGIBLE?

All Washington State pediatric health care providers, including pediatricians, family physicians, and Advanced Practice Providers.
